

CABLEX

**To Meet the Highest
Industry Standards**

**WIRE HARNESSES &
CABLE ASSEMBLIES**

**Shaping
the Future
Together**

OUR EXPERTISE

- Wire harness & cable assembly manufacturing
- Full connector range – #1 in Europe for IDC (RAST)
- Fast prototyping & electrical testing
- Scalable production: low to high volumes
- IPC-compliant processes & full traceability
- Custom configurations & engineering support

**SIMPLE
HARNESSS**

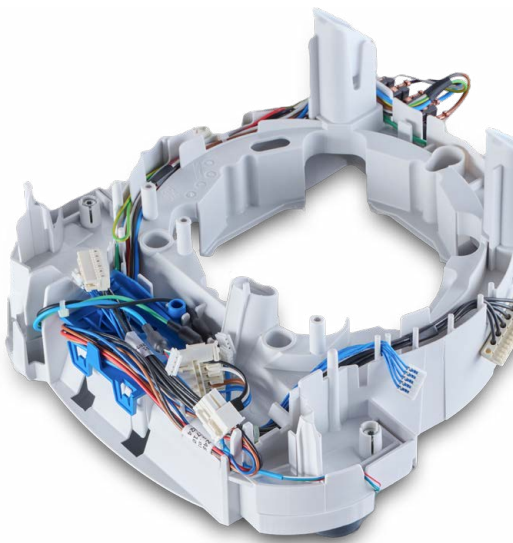

**COMPLEX
HARNESSS**

ALL-IN-ONE MANUFACTURING PARTNER

From concept to production – Cablex combines multiple technologies under one roof to speed up your operations and reduce supplier complexity.

From silicone wires to harnessing, plastics, stamping, and EMS.

At Cablex, we offer comprehensive flexible, tailored solutions that include the production and supply of silicone wires, wire harness and cable assemblies, plastic components, metal stamping parts, EMS and box build assembly, tailored to meet specific project requirements. These services complement our core offerings and ensure a seamless integration in your manufacturing or assembly processes.

WHY CHOOSE US?

DEVELOPMENT, ENGINEERING & DESIGN

Vast technical expertise

IDC & CRIMP TECHNOLOGY

Leading market position - all options available (Stocko, Lumberg, Tyco and others etc.)

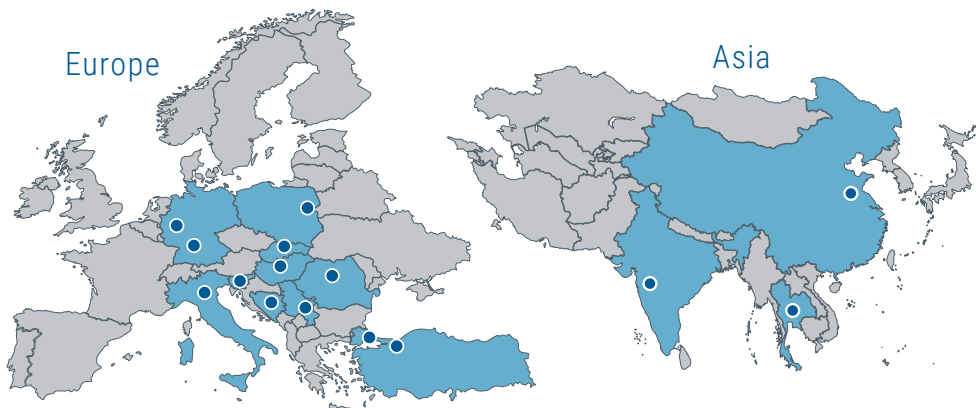

ASSEMBLY LINES TAILORED TO YOUR NEEDS

Assembly production is assisted by semi-automated or automated assembly preparations and devices that are fully developed and manufactured by us

- 35+ years of manufacturing expertise
- Strong financial foundation
- Global footprint: 18 plants & 2 distribution centers
- Advanced machine park & high level of automation
- Wide-ranging technology portfolio for diverse applications
- Quality leadership with continuous improvement
- Certified & compliant with industry standards
- Development & supply chain optimization services
- Highly adaptable: from low-cost to high-tech solutions
- Vertical integration for full process control

Let's build smarter together.

Contact us to explore how Cablex can support your next project with its integrated wiring solutions.
